Milford Assembly of God Altar Flower Program

Why?

Our hope is that through this program MAG might be a greater part of you life by helping honor the events that are important to you and also help beautify the

church with a constant changing of the flowers at the altar.

The flowers that you provide may be taken by you after the Sunday service for grave sites, for your home, gifts to a special person or shut-in. You may also leave them to be used additional times (silk arrangements) or placed in other parts of the church building. If you leave the flowers this would be considered a tax free contribution. The Special Occasion, Birthday, Anniversary, Holiday, Remembrances, Spiritual Birthday, or just any thing that is important to you will be placed in the bulletin as well on the card that comes with the flowers.
